PRAASA Discussion

We're accepting requests and then we can vote on them once the budget is approved.

Planning ahead for travel reimbursements is key. We want to support as many GSR's as possible, we encourage sharing rooms and doing whatever we can to make the money go further.

Question: You don't have to book at the host hotel do you? \$350/night is the group rate at PRAASA. You can book anywhere, Wayne suggests staying at AirBNB.

GSRs can ask their groups for help with reimbursement for travel.

Does budget from 2025 reimbursement roll into budget ? Sonia to answer and bring next time.
