Old Business

PRAASA Discussion

Discussed the previous process of voting on the budget and how PRAASA is a line item within the approved budget.

Anyone planning to attend PRAASA and seek reimbursement must email Sean and will be added to the list.

We will present a 2026 budget at the next meeting for review, including the PRAASA budget. We will use the count of attendees to determine an estimated refund amount. The final budget will be voted on in January.

New Business

Goleta Assembly reimbursement vote:

Budgeted reimbursement is mileage at \$0.48 per mile.
